### PRODUCT DESCRIPTION

Staplex S 620NFS Dual Head Electric Stapler with Foot Pedal The Staplex S 620 is a double header electric stapler especially designed for stapling header cards 4 10cm wide and larger stapled 1.9cm or closer to the bottom of the card. This unit cuts your stapling time in half. Fully adjustable center distances between staples from 2.25 to 6.5 . Uses Staplex Type DS 1 4 high speed staples. The stapling process is activated by the included foot switch. Especially designed for header cards 4 10cm wide and larger stapled .75 inch 1.9cm or closer to the bottom of the card Protruding stapling heads and special cut aways allow operator quickly and easily to position the header card when inserting Stapling heads are reversible for stapling the smallest header cards 3.5 8.9cm wide while holding materials in one hand Cuts stapling time in half Fully adjustable center distances between staples from 2 to 7.25 5.1 cm to 18.4 cm Evenly spaced staples for each job Stapling depth to 4.25 reach from top edge of header card for flexible staple positioning Uses Staplex Type DS .25 or Type LL Long Leg High Speed Staples Pop out front loading Made in U.S.A. when locating staples, leave 3 4 1.9 cm from right leg of right staple to the right edge of the header card and 3 4 1.9 cm from left leg of left staple to the left edge of the header card so that the operator has an area to hold the header card when inserting.
