PRODUCT DESCRIPTION

ABE 700 1 Electric Security Perforator Date Only The ABE 700 1 electric perforator marks up to 20 documents with the current date on the top or bottom of each document, dependant on your placement of the document. Simply place the document under the stamp and it will automatically stamp the date. Plates can be purchased for numbering, canceling, receipting, validating, and encoding. The removable die block in the 700 1 perforator makes replacing word dies a snap. Its heavy duty alloy died casting ensures a long lasting life. Up to 6 characters can be imprinted per line and up to 3 lines can be imprinted per document.
