PRODUCT DESCRIPTION

The Widmer D 3 is a manually advancing date stamper. Its great for document control wherever the date is important. Two message plates are also available 2 x .6125 for printing messages either below or above the date or both . Ideal for check endorsement when the optional extension trigger is purchased. A unit in each department keeps personnel alert to their responsibilities, and allows you to pin point bottlenecks. This product is fully customizable by the manufacturer to fit your needs. Prints 1 8 from the edge of the document. Call for other options. This model is also available with a removable upper die Model D RSU 3 Also available for 220 voltage.
