PRODUCT DESCRIPTION

Widmer P400 U Manual Universal Text Security Perforator The P400 U perforating machine is a portable unit that fits on any table top. The extra long handle provides a smooth, single cutting action. Designed for quick and efficient use, the P400 U perforator offers one line perforations up to six characters like PAID , VOID , and CNCLD . This secure method of punching holes in documents permanently cancels or validates 8 to 10 copies of multiple documents simultaneously. P400 U Perforates up to 20 sheets at a time. The Widmer P400 U manual text security perforator can be custom designed with your specific characters. You may choose up to six standard characters at no additional charge. Additional characters may be possible. Contact us for details. Denote your character choice in the notes field on the order confirmation page.
