PRODUCT DESCRIPTION

Widmer T RSU 3 Electronic Time and Date Stamp and Bank Validator with Removable Upper Die . Comes with one FREE Ribbon inserted into the Stamp. Choose a Blue, Black, Red, Green or Purple Ribbon. If you are scanning in color, Purple is the recommend color as it shows up best. Indicate your color choice in the Order Notes in the Shopping Cart. The Widmer T RSU 3 Electronic Date and Time Stamp has the same features as the Widmer T 3 Date and Time Stamp with the additional feature of a Removable Upper Plate Die. This Stamp can also be configured with a Removable Lower Plate Die instead. The Widmer T RSU 3 is frequently used by banks as a Bank Validator. Tellers can insert and switch Die Plates with their identifying information. The T RSU 3 is a versatile, compact Automatic Stamping machine that has been the standard for validating deposit documents in the banking industry for many years. The T RSU 3 features a Removable Upper Die Plate, with a self aligning die plate guide. It gives you high quality, clean crisp imprints. The T RSU 3 prints the Time and Date as a standard feature. Maximum Height of Documents that can be inserted into the stamp and the stamp will still print 3 8 inch. If you anticipate inserting documents that are close to the acceptable limit into the machine, we recommend you purchase the Custom Baffle. FEATURES Rugged cast metal construction Instantaneous electronic imprint Electronically adjustable penetration One insertion clearly validates 3 part NCR tickets Fastest method of validating customer s single or multi part deposit forms Transactions The TIME feature, when used in conjunction with video tape and camera surveillance systems, eliminates guessing accurately identifies fraudulent transactions. Simply insert any document for imprinting, and stamping is instantaneous. Durability and long
