PRODUCT DESCRIPTION

ABE 800 N Numbering Manual Security Perforator The ABE 800 N manually operated, six wheel security numbering perforator marks up to 12 documents at a time. This model has an adjustable 6 Number die to print a range of number variations. The 800 N is similar to the 700 N except for its manual operation; it requires the pull of a handle to perforate the document set. Its heavy duty alloy die casting ensures a long lasting life. Up to 6 characters can be imprinted per line and up to 3 lines can be imprinted per document. Click on the supplies icon to view the most popular perforator plates.
