PRODUCT DESCRIPTION

The Acroprint E text stamp machine is a TEXT for imprinting a text message up to four lines. It is part of the Acroprint Series of heavy duty desktop stamp machines. With this stamper you get an adjustable printer control, so you can print on a wide range of documents up to 1 4 thick. The stamper can even penetrate multi page carbon packs. Accessories that can be bought for this machine include an extension trigger to allow printing 1 8 to 1 9 16 from edge of form, reverse type for printing at the bottom of the document, an adjustable platform, electric interlock to prevent printing when case is open and upper or lower die plates for custom engraved message. Specify text or graphic with your order. This is a Text Stamper only. Text plates can have up to four lines of text above and four lines of text below the Time Date line 19 characters per line including spaces . See ordering options below and specify your message in the notes box when completing your order.
