PRODUCT DESCRIPTION

The Widmer T LED 3 is a versatile time and date stamp machine featuring high quality, clean crisp imprints. This model prints the time and date. It is compact and offers a wide variety of desirable features. Simply insert any document for imprinting, and stamping is instantaneous. Durability and long life are built into each Widmer Time Stamp, assuring you years of trouble free operation. This product is fully customizable to fit whatever your stamping needs are. Prints 1 8 from the edge of the document on the left margin. Call for right margin printing and a listing of other options. This model is also available with a removable upper die Model T RSU 3 and or an LED display of the time Model T LED 3 . Also available for 220 voltage.
