### PRODUCT DESCRIPTION

With the Acroprint ETC Time and Date stamp machine, you insert a document and in an instant you have an indisputable record of year, date, time, text or number. The Acroprint ETC prints the time, month, date and year and has a digital time display on the face of the machine. Series ET heavy duty desktop stamps give you adjustable printer control, so you can print on a wide range of documents up to 1/4 thick. Accessories that can be bought for this machine include an extension trigger to allow printing 1/8 to 1 9/16 from edge of form, reverse type for printing at the bottom of the document, an adjustable platform, electric interlock to prevent printing when case is open and upper or lower die plates for custom engraved message. Each text plate can have up to four lines of text 19 characters per line including spaces. See text plates below and specify your message in the notes when completing your order.
