### PRODUCT DESCRIPTION

ABE 800 2 Paid Date Manual Security Perforator The ABE 800 2 Paid and Date manually operated security perforator marks up to 12 documents at a time with a 6 character date along with the PAID phrase on each document. The 800 2 is similar to the 700 2 except for its manual operation; it requires the pull of a handle to perforate the document set. The removable die block makes replacing dies a snap. Its heavy duty alloy died casting ensures a long lasting life. Up to 6 characters can be imprinted per line and up to 3 lines can be imprinted per document. Click on the supplies icon to view the most popular perforator plates.ensures a long lasting life.
